

Draft Letter:

S.2803 - Fostering Stable Housing Opportunities Act of 2019

Hello [Insert Senator's Name],

My name is [Insert Name]. I am a resident of [City, State] and I am emailing today to ask for your support for S.2803 - Fostering Stable Housing Opportunities Act of 2019. It has already passed unanimously in the House of Representatives.

The Fostering Stable Housing Act provides a national mechanism to connect former foster youth with housing vouchers and supportive services. This bill was written by former foster youth themselves, for the purpose of streamlining and weaving together existing resources.

The goal is not to delay homelessness, but to prevent it altogether. Our vulnerable population wants to create a platform for economic independence.

This bill has been crafted to equip foster youth for future success, resulting in stable employment, improved educational prospects and self-sufficiency.

I welcome the opportunity to speak to you and your staff regarding the importance of this legislation and its impact on my fellow brothers and sisters in foster care.

Thank you for your time, consideration and support.

Sincerely,
